# ProAdvantage Grass Formula

## Growing Horses

- Concentrated for reduced feeding amounts
- Can be fed with little or no additional grain to easy keepers and overweight horses
- Controlled starch so ideal for horses with EPSM/PSSM
- Formulated to help prevent nutritionally induced developmental growth problems
- Controlled starch content for fewer digestive upsets
- Balanced Omega 3 and Omega 6 fatty acids for enhanced hair coat and over-all appearance
- Horses will look, feel, and perform their best
